Welcome to Blue Light!

Auroville's Free Open Source Software service and research centre.

Want to know what we do? Take a look at our [About us](#), [Projects](#) and [Services](#) pages. Maybe the [Guides](#) page too.

Want to know what we can do for you? Then our [Services](#) page answers your questions.

Want some technical information? Our [Guides](#) page may have what you are looking for.

Interested in **getting involved** in our work? We are looking for people. More on our [Joining](#) page.

Want to **make a donation** to support Blue light projects, click on the link below and put '**Blue Light Donation Support**' in **Specific Auroville projects** field.

Blue Light manages a root Certificate Authority (CA) for Auroville: get it [here](#).
